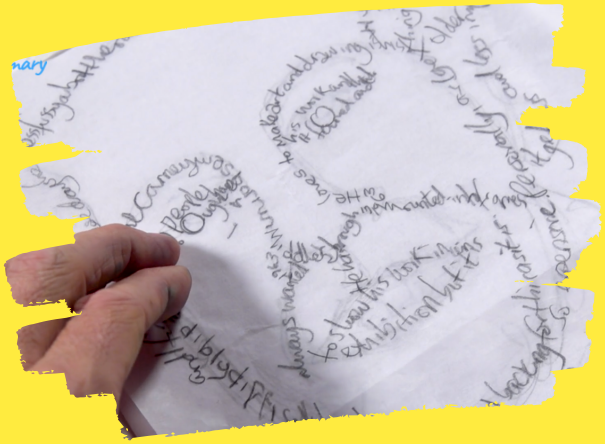
Activity 2:

Drawing: Picture the poet



Children draw a portrait of themselves or a partner, using just one continuous line, then referring to a poem or text, write over the lines, creatively varying the size and style of their writing to suit the details of the picture

Equipment:

- Sketchbooks/A4 paper
- Pencils (one per pupil)
- A photograph of themselves or a mirror each (if they are creating self-portraits)
- Tracing paper (one per pupil)
- A poem or piece of text that will form the outline of the portrait they create
