

St Charles Catholic Primary School- SIP Visit Form
Name of SIP: Jacqui McClelland
Date: 8 th December
Time: 2-5pm
Visited Governors
Purpose of Visit: To discuss Data Dashboard and Raise Online
Governors Present: S Roberts, F Stoddart, W Hughes, S Jennings
Comments and Observations: Governors were very engaged throughout the session and asked some challenging and probing questions of the DHT in terms of next step actions to address key concerns in data trends for current pupils. There was a particular focus on pupil premium children – which is a major focus and area for development across school
Next Steps: Governors will follow up key lines of questioning at subsequent meetings with leaders, committee meetings and full governing body meetings to ensure they are being informed of the impact additional provision is having on those pupils who have fallen behind. Others lines of enquiry will include how differences are being diminished for specific groups across school eg.. PP and non-PP, girls and boys etc Signature: Jacqui McClelland
