

St Charles Catholic Primary School – Governor Visit Form

Name of Governor: Hans Broekman

Date: Tuesday 13 March 2018

Time: 8.45-9.50am

Visited: Y6

Purpose of Visit: Visit my nominated class group

Staff Present: Class Teacher Mr Cranney

Comments and Observations:

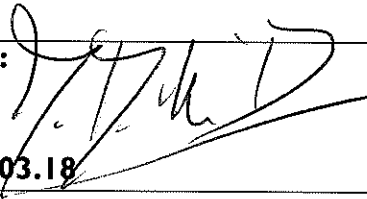

The class read quietly, did some spelling work. At around 09.10 they were invited to spend some DIRT time on their mathematics feedback. At 09.15 Mr Cranney introduced a new topic: angles, particularly in triangles. Pupils engaged enthusiastically with the task which they were given. The behaviour for learning was very good. Work was clearly differentiated. Pupils were supported by the LSA Mrs Ward and by a student teacher.

Before I departed I shared my impressions with the class and explained how pleased I had been to see them working with real purpose.

Next Steps:

Visit again next term
