Parent Carer Feedback - 1 Year on from Local Area Inspection Survey 2020

As some of you may be aware, Liverpool City Council, Liverpool Clinical Commissioning Group and the Local Area were inspected in January 2019 for the quality of services and support for children and young people aged 0-25 with Special Educational Needs and/or Disabilities (SEND) in Liverpool since the Children's and Families Act 2014 became law. As a result of the inspection, Liverpool was asked to make improvements to services and support for children, young people and their families.

LivPaC would like to know from you, the parents and carers, how things have changed or not for your children and young people with SEND between January 2019 and February 2020. The results will be presented to Liverpool City Council and Clinical Commissioning Group, where we will be asking for a response to our findings.

Thank you for taking the time to do this survey and to inform us of what is or has changed and what hasn't and what needs to improve.

Theatre Show

On Monday, the whole school was treated to a surprise theatre show held in our school hall. They watched a production of the classic *The Secret Garden* written by Frances Hodgson Burnett, performed by M&M Theatre Productions. St Charles' was the first school to view the new production and professionalism of the actors, set and staging was superb. The children and staff thoroughly enjoyed the performance and singing, so much so we have booked them again next year to watch *Treasure Island* by Robert Louis Stevenson.

I loved it! It was much better than the other ones.
Year 6

It was amazing with really good actors.
Year 4

Magic, Fantastic and the songs were brilliant.
Year 1

Marathon Madness

Thank you for your kind donations - we have raised just over £160 for Diabetes Uk, Aspergillus Uk and Autism Uk. A great start for my Marathon fundraising.

Thank you - Mrs Dean

L17-Messy Church

Come along Saturday 15th February 11-1pm

This month we are celebrating Love

Find us in, St Charles & St Thomas More Church Hall

Messy Church is for all Families in our South Liverpool Community. All are welcome, come along and get involved in the crafts, Messiness and stories. And, there is Lunch too.

Messy Church is free to attend, though your donations are welcome.

For more information check our Facebook page

Our target is always 100% but should be at least 97% Congratulations to **YR 1 who were our highest attenders.**

Breakfast & After School Club

A reminder that all accounts must be up-to-date by 31st March ready for the new financial year.

Any outstanding balances at the end of March may result in the loss of your child's place at either Breakfast or After School Club.

Parent App

We have reintroduced our school app Parent App. Many of you have already downloaded the app from last academic year, but if you have changed your phone in this time, follow the simple steps below to log into the app.

- Step 1: Download the PA Connect App.**
- Step 2: Press Login and search for your school logo.**
- Step 3: Enter the email and password.**

We sent out invitations yesterday to those parents who had not previously signed up to the App. The app is very easy to use and will provide us with a simple way to communicate news, information and updates. We will putting our weekly newsletter onto the app but it has many other features including questionnaires, permission slips and direct access to the school website.

If you have any problems logging into the app; parent app does provide support to help you.

Indoor footwear - Junior Classes

As a school, currently all junior children are expected to bring a change of footwear into school. The children change their shoes from outdoor to indoor shoes after playtime and lunch time. This enables us to have a much cleaner school.

We have noticed that some of the shoes have become very worn and tatty. We are sending home the indoor shoes this half term for parents to assess the condition of the shoes, as to whether or not new ones need to be sent back when we return after half term.

We recommend that the children bring black school pumps as these are relatively cheap and can also be used for PE lessons in the hall. However, if you have alternative plain, non branded footwear that your child can use for indoor shoes, they may also be brought into school.
