In line with the guidance there will not be any after school clubs for the rest of the Autumn term. However, our breakfast and after-school provision will continue (wrap-around care).</b></p> <p><b>During the 2nd lockdown, visitors will be limited to essential visitors only. This will be reviewed once the new restriction have been lifted.</b></p> <p>School infection control risk procedures will be followed throughout. Pupils and staff who are symptomatic will not be allowed to attend school.</p>	<p><b>LOW</b></p> <p>Under current guidance for COVID-19</p>

	Covid-19 virus: General	<p>Staff</p> <p>Pupils</p> <p>Visitors</p> <p>Contractors</p>	<p>Visitors to school (including parents and carers) who are symptomatic will not be allowed to enter school.</p> <p>Pupils with household members who are exhibiting symptoms will not be allowed to attend school and will be requested to isolate as per national guidance.</p> <p>Managers must also review all of the following applicable individual risk assessments where relevant:</p> <ul style="list-style-type: none"> <li>• New and expectant mothers</li> <li>• Extended duty of care – all staff but particularly those who identify as being critically vulnerable/ extremely critically vulnerable and BAME</li> <li>• Stress</li> <li>• Individual Pupil assessments – as applicable to children individually</li> </ul> <p>Covid-19 specific extended duty of care risk assessment considered and carried out where relevant for all staff meeting the following criteria:</p> <ul style="list-style-type: none"> <li>• Vulnerable members of staff who had received a Government shielded letter covering the period up to 01/08/20</li> <li>• Staff who have an extremely/ vulnerable household member</li> <li>• Staff who live with a vulnerable person</li> <li>• BAME</li> </ul> <p>Formal process in place for manager/ colleagues to contact the worker if required, as detailed within applicable risk assessment above – email or telephone calls. Details already known by staff members via the usual communication chain used to communicate with staff members.</p> <p>Managers to regularly update and inform staff re government guidance regarding covid-19 controls required:</p> <ul style="list-style-type: none"> <li>▪ Gov.uk <a href="https://www.gov.uk/">https://www.gov.uk/</a></li> <li>▪ Public Health England <a href="https://www.gov.uk/government/organisations/public-health-england">https://www.gov.uk/government/organisations/public-health-england</a></li> <li>▪ Department for Education <a href="https://www.gov.uk/government/organisations/department-for-education">https://www.gov.uk/government/organisations/department-for-education</a></li> <li>▪ Health and Safety Executive <a href="https://www.hse.gov.uk/">https://www.hse.gov.uk/</a></li> </ul> <p>Referring to the following guidance and publications, as applicable:</p> <ul style="list-style-type: none"> <li>• HSE COVID19 latest information and advice</li> <li>• HSE Working safely during the coronavirus guide</li> </ul>	<p style="text-align: center;"><b>LOW</b></p> <p>Under current guidance for COVID-19</p>

- Government guidance COVID-19: guidance for schools and other educational settings
- Government guidance COVID-19: guidance on shielding and protecting people defined on medical grounds as extremely vulnerable
- Government guidance COVID-19: guidance on shielding and protecting people who are clinically extremely vulnerable
- Government publication COVID-19: cleaning in non-healthcare settings
- Government publication Best Practice: how to hand wash
- Government guidance Covid-19: Safe working in education, childcare and children's social care settings; including the use of personal protection equipment (PPE) Government guidance for food business on Coronavirus (Covid-19)

Due to the rapidly changing advice on Covid-19, managers should ensure they review safe working procedures and protocols daily, until such time when it is deemed unnecessary.

There is an adequate supply of disposable PPE, as per specific task requirements, and all staff provided with instruction in the correct use and fitment:  
Public Health England and NHS YouTube video, Covid-19: putting on and removing personal protective equipment (PPE) – a guide for care homes

PPE provided, as required following specific current guidance for the protection of Covid19 detail type and standard, as applicable:

PPE resource box available in all classrooms plus the Reception office, each containing;

- Disposable half face masks
- Disposable gloves in S, M and L
- Disposable aprons
- Where personal care is to be provided eye protection/surgical face mask: fullface isolation shields and glasses are available. Each staff member to assemble their own visor to limit cross contamination
- PPE, as above, provided by LCC and purchased by school.
- School has purchased three hand-held infrared thermometers to test individuals' temperature as needed.
- Designated cupboard for PPE identified (Cupboard in the school office)

All used PPE should be double bagged and disposed of appropriately. Supply of plastic bags available in the Site Manager's office and Reception office. Store safely and securely for at least 72hrs before disposing via the normal waste stream.

**LOW**  
Under current  
guidance for  
COVID-19

			<p>Staff should wear PPE around school when not in their class bubble. Full PPE is only necessary to deal with a suspected case of COVID-19.</p> <p>When administering First Aid staff should consider using the school's supply of PPE items if necessary. (Within classrooms / School office)</p> <p>All staff informed that hands should be washed regularly as per Government guidance. Hygiene station set up in each classroom/ room/ resource area with soap, disposable paper handtowels and hand sanitiser. Minimum of 70% alcohol in every application. There is adequate supervision, where required, to ensure procedures are correctly adhered to.</p> <p>Pupils regularly reminded, in age appropriate ways, that hands should be regularly washed as per Government guidance. Teachers in each classroom to make planned provision for throughout the day using classroom facilities while maintaining social distancing.</p> <p>School encourages good respiratory hygiene by promoting "Catch it. Kill it. Bin it." Posters displayed in prominent areas around school; including all toilets.</p> <p>Parents and Guardians kept informed via letters, newsletters and text messages etc. regarding proposals for reopening including start finish times and any new local rules regarding drop off and pick up etc.</p> <p>Staff kept informed via email, online meetings, briefings etc. Staff meetings where possible will be socially distant in a classroom or if needed, done remotely.</p> <p>Post-incident de-briefing carried out for anyone involved in an incident of suspected contamination, with the aim of providing support and preventing incident recurrence. Further support provided to all staff members affected by the incident.</p> <p>All incidents reported to the Health and Safety Unit, using the LCC online MDS form v5. Reference made to HSE guidance for reporting under RIDDOR:</p> <ul style="list-style-type: none"> <li>▪ HSE RIDDOR reporting of COVID-19 <b>see Section (Ser) N° 6</b></li> </ul>	<p style="text-align: center;"><b>LOW</b></p> <p>Under current guidance for COVID-19</p>
C	List Hazards Here	List Groups of People at Risk	List Existing Controls	Risk Level

2	Covid-19 virus; General school environment	<p>Staff</p> <p>Pupils</p> <p>Visitors</p> <p>Contractors</p>	<p>Both school gates will be opened to the school grounds to dilute the numbers coming through them as much as possible. Reception &amp; KS1 through the Infant gate and KS2 through the junior gate.</p> <p>Members of SLT to be present on the gates to direct parents and children, at the start and end of each day.</p> <p>Children to walk straight into the building at the start of the day; maintaining 2m distance between each bubble.</p> <p>All visitors to site (Y7 aged and over) required to wear a face covering in order to gain access to the premises.</p> <p>At the end of the school day parents to collect their child at the designated location on the school yard. Face masks should be worn (unless medically exempt) and keep 2m distant from others. In some incidents, children will be brought to parents waiting at the large school gates.</p> <p>One-way system in action at the end of the school day. Entering the school site via the small pedestrian gate and around the school building and exit through the large gates</p> <p>School first aid risk assessment to be reviewed, as required: 31.10.20</p> <p>Any deliveries to the school e.g. stationary, cleaning chemicals will be securely stored and left isolated for 72 hours when possible, washing hands after the moving of the delivery. Stored outside caretakers' room or in foyer space.</p> <p>The current system for signing in / out will not be in use. This will be recorded via the office until the new inventory system is installed. Staff will then use a barcode registering entry &amp; exiting site. Staff should make themselves known verbally at the beginning of the day and when leaving the school site.</p> <p>Should other visitors come to site, the same procedures as for staff will be used. Office staff members will complete the "registration on site" form for the visitor; capturing essential information as necessary to facilitate "Track and Trace" in the event of an outbreak.</p> <p>Fire Risk Assessment, Fire Evacuation Procedures, Security, Violence and Lone Working risk assessments to be reviewed 31.10.20</p> <p>Fire evacuation practice to be undertaken each half term (last completed 22/10/20)</p> <p>Hand sanitizer stations located at:</p> <ul style="list-style-type: none"> <li>• Reception</li> </ul>	<p>L*</p> <p>L*</p>
---	--------------------------------------------	---------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	---------------------

- All classrooms
- Outside the staffroom

Signage installed to various areas of the building reminding people to wash hands regularly, in line with Government guidance and to maintain 2m social distance from others outside their bubble and from pupils if possible.

~~There will be a one-way system in place when the children have lunch in the hall. Children will enter the hall via the corridor and exit via the fire exit just outside the hall along the outside path. If a child has not finished their meal, then they will be moved to the spare table in the hall.~~

As of 2<sup>nd</sup> November, the children will return to having lunch in the classrooms. The children will be offered a choice of a hot meal, vegetarian hot meal, jacket potato with a drink and dessert or a packed lunch (sandwich, drink, fruit, biscuit /cake or muffin, crisps)

Staff should avoid walk through the hall as much as possible and use the outside path.

Staff and pupils are requested to keep close to the side of the corridor or walkway to maximise social distancing while are using the opposite side.

The use of the school staff rooms is minimised to maximise social distancing between colleagues. Wipes and cleaning materials available in staff rooms for staff to clean regular contact points e.g. kettle, taps, drawer handles etc.

There is a limit of 6 people in the staff room at any one time. Staff should make a drink but leave the staff room after. Staff are encouraged to take breaks in their own classroom, or to use other spaces or their car or a local walk. The situation in the staff room will be closely monitored and the room may be closed to staff if procedures are not adhered to.

As of 2<sup>nd</sup> November, table will be available for staff to use in the hall while socially distancing themselves from others

The staff room will remain open but staff **MUST** adhere to strict social distancing if using. They **MUST** handwash/ hand sanitise upon entry and exit. The room will continue to have through ventilation.

All staff to ensure they clean away any cutlery or crockery including drying, putting away – especially teaspoons.

Staff encouraged to bring a small bag with them to work if necessary. Additional personal storage for change of clothes either for staff due to alternative travel getting into work e.g. cycling, walking, running or to change into after work should request this from HT.

Staff members verbally reinforce control measures in corridors, walkways and stairwells as necessary.

Whole school assemblies and collective worship do not take place during the Covid-19 pandemic. These will be undertaken in 'bubbles' where appropriate.

Desks in classrooms where practicable, are front-facing.

Children are organised into year "bubbles" so as to facilitate track and trace. This is also the case for children attending breakfast and afterschool club provision.

All unnecessary items are removed from classrooms and teaching environments as much as possible. Soft furnishings, soft toys and toys that are hard to clean (such as those with intricate parts) are kept to a minimum and remain within the bubble.

Parents have been advised that ventilation of the classroom will continue and children should come to school with additional layers. The heating will remain on during the school day.

- Windows and doors will be opened during lesson times to allow for ventilation of the room.
- Classes should be kept together and mixing with other classes minimised, as much as possible. See section 5
- Start & end of the school day; pupils should go directly to their 'bubble' classroom and be collected / leave directly from that classroom. Stagger group arrival and leaving times.
- Staff should wear a face covering and keep a minimum of 2 metres when collecting and releasing students to their parents
- All classes are to take place in the same setting wherever possible to limit the numbers moving around the school, keeping the 'bubble' in one area
- Schools meals will be served in in the classrooms. ~~There will be 3 separate sittings. See school rota for this.~~ School lunchtime is extended to manage this process. Where possible the children should remain socially distant from another class.

			<ul style="list-style-type: none"> <li>• Packed lunches can be brought into school in a lunch bag.</li> <li>• Breakfast and after school club will have arrangements in place so that the children are able to keep in their bubbles.</li> <li>• Reading books and reading records can be bought in by the child but should not be handed into school staff. Reading records will be stamped by an adult in class each day. Reading books the children have finished reading need to be quarantined for 72 hours before being cleaned and put onto the book shelf.</li> <li>• A school book bag can be brought into school.</li> </ul> <p>Every child will have their own stationery supplied by school, plus other resources such as exercise books, pens, etc. <u>Pupils and parents have been informed that pupils may not bring in their own stationary, pencil cases, or other personal items such as toys, sports equipment (e.g. footballs), etc.</u></p> <p>As much as possible, manipulative resources will be bubble-based and used by children within that bubble alone. Where resources are needed to be used elsewhere around the school they will be cleaned and quarantined before being used by another bubble. Plastic resources are to be quarantined for 72hrs and all other resources quarantined for 48hrs before use. Such resources will also be cleaned during the quarantine period. Teachers will keep shared resources in their stock cupboard for the required period of time before placing it back in the original storage location.</p>	
<b>C</b>	<b>List Hazards Here</b>	<b>List Groups of People at Risk</b>	<b>List Existing Controls</b>	<b>Risk Level</b>
<b>3</b>	Covid-19 virus;  School day	Staff  Pupils  Visitors  Contractors	<p>Staff instructed to send information electronically to avoid the use of internal mail services.</p> <p>All returned visitor passes, keys or fobs are kept stored separately from other items and cleaned and sanitised before reissue. The use of lanyards is suspended for visitors.</p> <p><del>Stickers, colour-coded with our safeguarding policy, are issued instead.</del> All waiting areas are reconfigured to ensure that social distancing can be maintained.</p> <p>Seating, display stands and magazines in the general reception area are organised so as to facilitate social distancing.</p>	L*

Only one visitor or two members of the same household at-a-time is permitted in the Reception area. Standing locations 2m apart for visitors to wait outside Reception. Only after the first visitor has left Reception, and is 2m away, can the next person enter.

Staff who are able to work from home, are encouraged to do so, as per current guidance. This includes PPA time. When staff leave for PPA, please ensure that any problems from the morning is shared with the appropriate adult, SLT or parent including accident, behaviour issue so that there is clear communication.

Office windows are opened where practical, to encourage as much natural ventilation as possible.

Workplace layouts are configured to allow staff to maintain social distancing of 2m when they are seated at workstations.

A clear desk policy is in place. All work items and belongings are stored in desk pedestals or store cupboards when not in use.

Telephones must not be shared and staff should transfer calls rather than pass handsets to colleagues. Where this is not possible, callers are provided with an alternative number to call back.

The use of copiers, printers and shredders is for essential school use only. Where it is essential to use such devices, they should be cleansed after each use.

Appropriate signage is installed to advise users accordingly and cleaning materials are available. Staff members are encouraged to send printing to the photocopier direct from the class PC/ laptop.

As of 14<sup>th</sup> September, any parent dropping off or picking a child up at the end of the day MUST wear a face covering

Parents are requested to drop their children off alone i.e. not both parents attending at once and at school gates as per guidance above.

Parents are requested not to gather at entrance gates or doors, or enter the site (unless they have a pre-arranged appointment) once their children have entered the school.

Parents requested to maintain social distancing at all times particularly when collecting the children from the playground.

L\*

		<p>The play equipment on the school yard must not be used</p> <p>Classes and year group bubbles will have staggered start and end times and different entrances/ exits, depending on rota.</p> <p>Break times (including lunch) staggered for classes to minimise mixing and dilute numbers using common areas such as walkways and toilets.</p> <p>Where possible the numbers using toilets will be managed in line with social distancing guidelines:</p> <ul style="list-style-type: none"><li>• a dedicated toilet cubicle for each group/bubble</li><li>• Hand driers will be isolated and paper hand towels &amp; pedal bins provided</li><li>• One child uses toilets at a time.</li></ul> <p>Children should not use the water dispensers until further notice. All taps in the classrooms provide drinkable water.</p> <p>Staff instructed to use electronic information sharing as much as possible to avoid excessive use of internal mail.</p> <p>All keys must be kept separately and cleaned and sanitised before use. They will remain in the office and must be requested. Office staff will sanitise once returned. No key will be put on a lanyard.</p> <p>Windows will be open where possible to ensure good ventilation.</p> <p>Break times (including lunch) will be at set times during the day and each bubble will use the three different playgrounds.</p> <p>Where possible the numbers using toilets will be managed in line with social distancing guidelines. These will be monitored by staff either in infant or junior part of the school.</p> <p><del>Meals will be eaten in the school hall unless this is unavailable and therefore eaten in the classrooms. Tables should be thoroughly cleaned before the next sitting. There will a school meal provided for those who request one.</del></p> <p>Pupil bring a packed lunch should adhere to the packed lunch guidelines on the school website.</p>	
--	--	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	--

			<p>Each child will be given a tray of stationary for their singular use. If a COVID-19 positive result from that class room is received the whole classroom including pencils will be deep cleaned. If a child coughs or sneezes they will need to hand sanitize</p> <p>During lunch time and break times the children will not be allowed to use the large fixed playground equipment but will be able to use the handheld play equipment which can be cleaned after each use. A resource box for each playground will be available. Children should be reminded to put used equipment to one side so that it can be cleaned before it is used again.</p> <p>Parents and children required to sign a home-school Covid-19 agreement at the start of the school year. The head teacher will sign it on behalf of the staff.</p> <p>All staff and children are required to follow the "Catch it. Kill it. Bin it" Guidance. Staff members will instruct and remind the children how to do this safely.</p> <p>Children are required to wear school uniform. The children are asked to wear their PE kits (see school uniform) on the day they take part in PE.</p>	
C	<b>List Hazards Here</b>	<b>List Groups of People at Risk</b>	<b>List Existing Controls</b>	<b>Risk Level</b>
4	Covid-19 virus:  Meetings	Staff Pupils Visitors	<p>All in-person meetings should be avoided whenever and wherever possible. If needed the meetings will be socially distant with all staff wearing face coverings.</p> <p>Staff should use other means of remote communication to host meetings where facilities are readily available.</p> <p>Attendance at meetings is limited to those essential attendees only. Critical information is cascaded to other staff.</p> <ul style="list-style-type: none"> <li>• Remote meetings should be used if possible.</li> <li>• Attendance to internal meetings is limited to essential attendees only.</li> <li>• Any meeting space adheres to 2m distancing for staff and has through ventilation.</li> <li>• Equipment should not be shared during meetings (eg pens)</li> <li>• After a meeting, participants should ensure surfaces/ keyboards etc are wiped down after use using cleaning station material.</li> <li>• Meeting timings should be adhered to avoid congregating staff.</li> </ul>	Low under covid 19 guidance

			<ul style="list-style-type: none"> <li>As the SEN room is out action meetings – meetings / appointments must be booked and shared with the business manager so that we are able to provide an alternative room.</li> </ul>	
<b>C</b>	<b>List Hazards Here</b>	<b>List Groups of People at Risk</b>	<b>List Existing Controls</b>	<b>Risk Level</b>
5	<p>Covid-19 virus;</p> <p>Classrooms</p>	<p>Staff</p> <p>Pupils</p> <p>Visitors</p> <p>Contractors</p>	<p>Staff instructed in the following working practices:</p> <ul style="list-style-type: none"> <li>Wherever possible staff supervising a bubble should aim to maintain the recommended 2m social distancing rule at all times, where practicable.</li> <li>Teachers &amp; TAs should avoid bend down to pupils level when communicating in close quarter if possible. Face to face contact should be avoided if possible. (NB, this is not possible for all pupils/ situations, it is where it can be reasonably done)</li> <li>Limit number of surfaces touched, where possible.</li> <li>Keep hands away from face as much as possible.</li> <li>Regularly perform appropriate hand washing.</li> <li>In KS2 all desks are facing forward where possible, where room size does not allow this a horseshoe model will be used, with those desks facing others kept 2m+ apart.</li> <li>Pupils will sit side to side.</li> <li>Pupils have their own set of frequently used equipment, either in their tray or their own pot</li> <li>Resources shared between bubbles eg sports equipment or ICT should be cleaned before being put away, or rotated unused for 48 hours (72 hours for plastics)</li> <li>All unnecessary items removed from classrooms</li> <li>Classes take place in same setting where possible</li> <li>ICT – each computer (mouse, keyboard and head phones) should be wiped down after use, this can be done by the children</li> <li>Pupils will come to school in PE kit on their PE day to avoid changing/ use of changing rooms/.</li> <li>Classroom activities can be held outdoors where possible.</li> <li>Classroom doors and windows to remain open, as much as weather permits.</li> <li>Dining room rota system ensures bubbles kept separate.</li> <li>Tables wiped down between sittings with spray</li> </ul> <p>Google classrooms will be used to provide remote learning if a class or the school needs to close. Work needs to be given to those children who are self-isolating. However this is not the case for children who are quarantined following a holiday abroad.</p>	L*

		<p>Homework where possible will be given electronically. Parents should request paper copies if needed.</p> <p><b>Additional needs:</b></p> <p>In certain SEN environments, maintaining 2m social distancing will be near impossible – Central Government’s Policy appears to be that for some pupil groups, not complying with social distancing is scientifically acceptable as children / young persons are at low risk from any serious consequences of covid-19, staff protection measures in this category should be reviewed. The school is to review measures to protect staff &amp; pupils in this group, including:</p> <ul style="list-style-type: none"> <li>• Contact with staff whilst handling a pupil; review EHC plans and risk assess individual pupils in consultation with parents. All pupils with EHC renewed risk assessment upon return.</li> </ul> <p>PPE should be worn by all staff attending to pupils intimate care or medical needs.</p> <p>PPE is only needed in a very small number of cases:</p> <ul style="list-style-type: none"> <li>• children, young people and learners whose care routinely already involves the use of PPE due to their intimate care needs should continue to receive their care in the same way</li> <li>• PPE should be worn if a distance of 2 metres cannot be maintained from any child, young person or other learner displaying coronavirus symptoms</li> </ul> <p><b>Pupil’s behaviour will be monitored for deliberate coughing or spitting. Such behaviour will be dealt with by the school with the ultimate sanction of the pupil’s exclusion.</b></p> <p><b>Reception office</b></p> <ul style="list-style-type: none"> <li>• Service windows to be kept shut and / or open to a minimum when dealing with enquiries</li> <li>• One visitor allowed in the reception area (by request) Standing location marked out.</li> <li>• Visitors coming into school must wash their hands with soap and water for at least 20 seconds in the dedicated toilet – door must be propped open.</li> <li>• Removal of as many items as possible to keep the areas as clear and clean as possible</li> <li>• Window open to increase ventilation in the space.</li> <li>• No more than 3 people, socially distanced, can be in the office at any one time</li> </ul> <p><b>HT office</b></p>	<p>L*</p>
--	--	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-----------

			<ul style="list-style-type: none"> <li>All visitors to sit on the blue chair at the far side of the round table while conversing with HT. HT to sit at desk. 2m social distancing</li> <li>Window opened to increase ventilation in the space</li> <li>No more than 3 people, socially distanced, can be in the office at any one time</li> </ul> <p><b>Caretakers office</b></p> <ul style="list-style-type: none"> <li>One person permitted into the room at any one time</li> <li>Use of room limited to CT or cleaning, office staff</li> <li>All controls in place to ensure safe handling of materials and substances</li> </ul> <p><b>Staff room</b></p> <ul style="list-style-type: none"> <li>Six members of staff in the room at any one time; allowing for safe and socially distanced movement around the room</li> <li>Staff members to use their own mug and equipment which should be washed with hot soapy water and dried and put away with a paper towel to minimise contact.</li> <li>Window opened to increase ventilation in the space</li> </ul> <p><b>Adult toilets (male &amp; female)</b></p> <ul style="list-style-type: none"> <li>Two adults permitted at a time</li> <li>Sufficient hygiene products available to maintain good hygiene</li> <li>Window opened to increase ventilation in the space</li> </ul> <p>Teaching staff to risk assess the bubble classroom they are working in at the start of the day and inform SLT of any changes needed before the room is used.</p> <p>Staff members are asked to inform the headteacher if they feel that there is a breach of the risk assessment or if they have alternatives to improve systems to adhere to social distancing.</p> <p>In the absence of a member of a bubble, another member of staff is able to work in another class but should keep 2m distance. This includes our staff, supply, or specialist coaches or teachers.</p>

6	Covid-19 virus; Cleaning	Staff	Temporary cleaning manager put in place to ensure that the cleaning regime is adhered to. Spot checks will be completed. Meetings will be arranged as required.	

	<p>Pupils</p> <p>Visitors</p> <p>Contractors</p>	<p>HSE can also make an unannounced visit to school ensure that procedures are being followed.</p> <p>Staff and visitors must wash their hands with soap and water on arrival to school.</p> <p>All cleaning staff will be given a detailed cleaning regime to adhere to. There will be additional cleaning throughout the day to ensure frequently touched areas are cleaned</p> <p>Reference existing school COSHH risk assessments Additional COSHH hand sanitiser</p> <p>Cleaners have appropriate PPE in line with current (and any new) COSHH risk assessments</p> <p>Any new cleaning products brought on site in response to the current Covid-19 pandemic will have a COSHH risk assessment undertaken prior to use. if COSHH risk assessment not available and the chemical is required urgently; refer to the manufacturer's MSDS (material safety data sheet) available from the supplier or on-line from the manufacturer</p> <p>Playground equipment and classroom play equipment wiped down and cleansed at the end of the school day and between activities where possible. Currently this equipment will be deemed out of use .</p> <p>Cleaning undertaken in line with Government publication COVID-19: cleaning in non-healthcare settings. <a href="https://www.gov.uk/government/publications/covid-19-decontamination-in-non-healthcare-settings/covid-19-decontamination-in-non-healthcare-settings">https://www.gov.uk/government/publications/covid-19-decontamination-in-non-healthcare-settings/covid-19-decontamination-in-non-healthcare-settings</a></p> <p><b>What you need to know</b> (extract from <i>cleaning in non-healthcare settings</i>):</p> <ul style="list-style-type: none"> <li>• cleaning an area with normal household disinfectant after someone with suspected coronavirus (COVID-19) has left will reduce the risk of passing the infection on to other people. <b>The area should be isolated for 72 hours were possible (rooms, not common space e.g. corridor)</b></li> <li>• wear disposable or washing-up gloves and aprons for cleaning. These should be double-bagged, then stored securely for 72 hours then thrown away in the regular rubbish after cleaning is finished</li> <li>• using a disposable cloth, first clean hard surfaces with warm soapy water. Then disinfect these surfaces with the cleaning products you normally use. Pay particular</li> </ul>	L*
--	--------------------------------------------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	----

attention to frequently touched areas and surfaces, such as bathrooms, grab-rails in corridors and stairwells and door handles

- if an area has been heavily contaminated, such as with visible bodily fluids, from a person with coronavirus (COVID-19), use protection for the eyes, mouth and nose, as well as wearing gloves and an apron
- wash hands regularly with soap and water for 20 seconds, and after removing gloves, aprons and other protection used while cleaning

School will be fully cleaned at the start/finish of each school day:

- Ensure waste bins (preferably a pedal bin in every classroom) are monitored and emptied regularly. The pedal bin must have a bin liner so that the whole bag is disposed of. Under no circumstances should anyone be lifting out the contents of the bin with their hands
- Ensure staff receiving deliveries wear gloves. Deliveries left in foyer.
- School will be fully cleaned at the end of each school day. Four cleaning staff to facilitate this. Frequently touched areas will be cleaned at least 3 times (or more if needed) during the day. Additional cleaning throughout the school day where regularly touched items such as door handles, handrails etc. will be wiped down and cleaned morning, lunchtime and end of day.
- Regularly touched items such as door handles, handrails etc. will be regularly wiped down, disinfected and cleaned
- Gate and main entrance door digital call points will be cleaned regular throughout the working day.
- Cleaning station in each room with spray and cloths for frequently used surfaces/ spot cleaning.

Additional cleaning products are available for use by staff to wipe down frequently used contact surfaces. These will include (amongst other things):

- Printers/photocopying machines
- ~~Lift buttons and door entry keypads~~
- Door, fridge and cabinet handles
- Light switches
- Kitchen surfaces
