Year 2 Author Visit

Today, Friday 11th June, Year 2 enjoyed an online session with Author and Illustrator Dapo Adeola. He is a former recipient of the Waterstones Children's Book of the Year award.

Dapo read his new book Hey You and talked to the children about important people who inspired him. He gave them a step by step guide to creating their own illustrations.

"I thought he was great, I like his characters and loved the way he read the book." (Amelie)

Dropping Off Your Child

We have noticed more and more people are stopping in the middle of the road to drop children off. This adds to the congestion already on Tramway Road and Neilson Road.

Furthermore, a member of staff was verbally abused this week by a parent. Our staff member had stopped to allow children to cross the road safely. This type of behaviour will not be tolerated.

We ask all parents to be mindful of children on paths and not to park on the pavements.

Pupil of the Week

We are extremely proud of all our children, however the staff are tasked with choosing just one child each week who has stood out amongst the others to receive a special award.

Well done to all our winners.

Free Food

Thanks to Tesco and Co-op we have been able to put out food each morning for any of our families to take. Please feel free to help yourself.

Carers Week

This week is carers week, we know many of our parents are carers. But did you know that young carers are children aged between 5-18 who look after someone in their family who has an illness, a disability, a mental health or a substance misuse problem.

Young carers may have whole or shared responsibility for looking after a sibling, parent, grandparent or other relative. The caring tasks that a young carer has to deal with can range from nursing care, personal intimate care, emotional care, domestic care, financial care and child care.

If you feel that your child is a Young Carer, you can speak to school confidentially and we may be able to provide additional support or signposting to other agencies.
