Mental Health Awareness Week

This week we celebrated Mental Health Awareness Week. The children have connected with nature in different ways. Some children had their Music or art lessons outside, whilst others played and explored our environment. Cloud watching and playing in puddles were firm favourites. Remember that nature has a unique ability to bring consolation in times of stress but also increases our creativity, empathy and sense of wonder. Why don't you try to connect with nature this weekend and send a picture to your teacher.

Have you been an Attendance HERO this week?

Reminders

We have noticed a few things starting to creep back into school, so wanted to remind everyone of expectations involving uniform and presentation as part of policy.

- Children should wear school jumpers / cardigans - these are available from Kitted Out
- Black school shoes** must be worn coming into school (white shoes can be used in the summer term) unless it is a PE Day
- Long hair **must** be tied back - this applies to both boys and girls
- No **etching** in hairstyles
- School book bags to be used - no other bags should be used unless the children are going swimming. This is because we do not have the space to store them.

Just a reminder...
