Dropping Off

We have noticed more and more people are stopping in the middle of the road to drop children off. This adds to the congestion already on Tramway Road and Neilson Road.

Also a member of staff was verbally abused by a parent, as our staff member had stopped to allow children to cross the road safely.

We ask all parents to be mindful of children on paths when trying to park on the pavement.

Year 6 Fund Raising

Thank you for your support with Y6 fundraising, they have already raised around £200, which is amazing.

Next week is the final week if you would like to take part.

This is the final weekend for Y6 parents to purchase a school hoodie for their child. If you would like your Yr6 child to receive a hoodie please ensure you pay via ParentPay over the weekend before it's too late.

OxWell Mental Health Survey

All schools in Liverpool have been asked to take part in a mental health survey aimed at Year 5 & 6 children in partnership with the University of Oxford.

"By asking school pupils to tell us how they experience school life and health related issues, we hope to better understand what is happening to the mental health of young people, and to inform schools, the local council and their partners, how to provide pupils with the best support and guidance to keep them safe and happy. We also aim to gain insight into how adolescents view surveys like this, and how the school lockdowns impacted their wellbeing."

Sports Day

Over the last two weeks, all of the children have taken part in Sports Day. The children were organised into House groups with the aim to win the Sports Day Cup. There were plenty of traditional events including egg and spoon race, obstacles and the favourite - sprints!

It felt very different to usual, as parents weren't able to join us but there was plenty shouts of encouragement and cheers of congratulations from the children in other year groups.

We will find out next week which house group was the winner!

Online Safety Information for Parents

Last week I made parents aware of a game children have been playing. There are a couple of apps parents can download for free. These provide updates for parents as well as useful information about how you can keep your child safe online.

Safer Schools App. The app is designed to support parents with information about how to keep children safe on the internet, as well of lots of helpful information and videos about some of the latest internet concerns. There is also a specific section for KS2 children
