"Love, learn and grow together"

Headteacher Mrs Rebecca Dean

24th September 2021

Welcome

Welcome to our new Reception children and their families. Last week, was the children's first full week, everyone has enjoyed meeting and getting to know the children. Talking with the children and popping into class, they have certainly had a fabulous week.

We can't wait to see what else you get up to this year.

We also welcome new families in other year groups. Enjoy your time at St Charles'.

Attendance and Punctuality

Attendance is one of the most important areas of school life that parents and carers of our pupils can make the biggest impact to their learning. Here at St. Charles' we pride ourselves in having high expectations of the children and endeavour for them to thrive in our happy, vibrant and nurturing environment.

If your child is unwell, ***you must contact school on the first day of your child's absence.*** The school office is open from 8 am each morning. Please do not ring before this time as there is nobody to take your call.

Each week, Cath Breen our EWO, audits the registers, unfortunately we have already identified children who are classed as persistently absent.

Being in school on time is equally as important, we will be closely monitoring those children who are late each day. Every minute counts! As our doors are open at 8.40 am the children start the day with a variety of learning and revision tasks including a maths focus 'Fluent in Five', handwriting and spelling practice. Just 5 minutes later after the doors have closed, can have an impact on your child both academically and socially.

The school gates close at 8.50 am.

KIND

Well done to Paolo, in Year 4, who raised £425 for KIND by completing a sponsored swim during the summer holidays.

We are super proud of you.
