IMPORTANT INFORMATION FOR PARENTS

We have received notification that some families may be entitled to **Winter Fuel Grants** from Liverpool City Council. These grants will be for families whose child receives **Free School Meals**.

We would urge all our families to please make an application online for Free School Meals via Liverpool City Council Free School Meals website to check their eligibility. We know many parents have had a change in circumstances since Covid has happened.

If you receive notification to say you are entitled please ensure you pass this information onto school as soon as possible. Unfortunately, school does not hear at the same time as families, so in order for us to ensure our records are completely up to date please email charles-ao@stcharlesliverpool.co.uk with the relevant confirmation you receive.

Please ensure you make an application for **EACH** of your children if you have more than one child.

We will only have one opportunity to submit this information to Liverpool City Council and once the information is passed on we will be unable to submit any further children. It is therefore imperative that you carry out this task and inform us as soon as possible.

Feast Day of Saint Charles Borromeo

The 4th November is the feast day of Saint Charles Borromeo, our patron saint. He was a Cardinal and Archbishop of Milan from 1564 to 1584 he was born on 2nd October 1538 - Died on 3rd November 1584.

He was responsible for significant reforms in the Catholic Church, including the founding of seminaries for the education of priests. Saint Charles emblem is the word *humilitas* = humility which is a portion of the Borromeo shield.

He is usually represented in art in his robes, barefoot, carrying the cross as Archbishop, a rope around his neck, one hand raised in blessing, thus recalling his work during the plague.

Key Stage 2 children attended a special Mass in church on Wednesday to celebrate the life of St Charles.

Parliament Week

This week has been Parliament Week. The children have been busy with lots of activities including planting seeds.

In this week the children learnt more about democracy, why we have laws and what Members of Parliament do.

Just like seeds, a thriving democracy takes, time, patience and perseverance. Big changes can come from planting a small idea and watching it grow.
