## Exciting...

School is a hive of excitement at the moment. Staff have been busy recording and it has been lovely to hear the children singing and practicing for their Christmas productions. Unfortunately, we are unable to have families in to watch. I understand that this is very disappointing. However, I want all our school community to enjoy Christmas without having to isolate.

A huge thank you to all the staff who have been donating for our Christmas raffle - we have been blessed with even more prizes!

## Parking

We have received more complaints this week regarding parking, and near misses.

**Please remember not to park on the zig zag lines. Do not allow your child to jump out of the car in the middle of the road.**

We are continuing to work with Merseyside Police and PCSO's to support us with the parking concerns along Tramway Road.

## Nocturnal Animals visit Reception

This week Reception had some amazing visitors - Nocturnal animals!

The visit was inspired by the book Owl Babies, which they have been reading in class. The children learnt all about nocturnal animals. The children were extremely well behaved around the animals and all had an opportunity to touch or hold one.
