"Love, learn and grow together"

Headteacher Mrs Rebecca Dean

29th April 2022

Asylum Link

Today we had a visit from Ian from Asylum Link. We started off the day by having an assembly to find out the work that Ian does to help support forced migrants. He explained how refugees have had to give up their often dangerous country to reach a place of safety. Also, that they sometimes experience perilous journeys to get to a safe country. Ian visited each class to read a story to help the children understand further. We ended the day by giving your wonderful donations to him to take back to the centre. He thoroughly enjoyed his visit to our lovely school and was overwhelmed by his welcome and how lovely our children are.

Create Music

Create music were in this week delivering Ukulele lesson to the Key Stage 2 children. They also gave taster guitar lessons for those who completed and returned the slips to school following the assembly last term. The children brought home letters, if you would like you child to have guitar lessons please contact Create music directly.

World Dance Championships

On Thursday, some of the children in school took part in a dance workshop. The children learnt a dance routine to a Megan Trainor song.

Pupil of the Week

We are extremely proud of all our children, however the staff are tasked with choosing just one child each week who has stood out amongst the others to receive a special award.

Well done to all our winners.

Internet Safety

The children are taught about internet safety as part

of the computing curriculum. However, we have been made aware of some issues regarding unkind comments when children are playing online games. These issues are being brought back into school. Please help reinforce these rule but also to look for the icon above to report issues.

SMART rules

S stands for Safe - keep safe by never giving out personal details. Pupils are encouraged to create avatars or screen names when on line that do not allow people to see their full name. They are also warned about the dangers about giving people information about where they are, either by including details about where they are going or giving information away through photographs showing addresses, school logos etc..

M stands for Meeting - our pupils are discouraged from meeting anybody they have met or communicated with on line. You don't know who you are talking to when you communicate on line. Anybody could copy and post a photo and pretend to be somebody different.

A stands for Accept- our pupils are warned about the dangers of accepting or opening emails or pop ups that look suspicious as they may contain viruses.

R stands for reliable. - Pupils are taught to approach everything they see on line with an open mind. Just because information is on line it doesn't mean that it is true.

T stands for tell - pupils are taught about cyber bullying and encouraged to tell a trusted adult about anything they encounter on line that makes them feel uncomfortable.

Uniform Reminders

As part of our uniform policy we **DO NOT** allow children to wear jewellery in school other than a watch and small earrings.

Please also remember that children **CANNOT** wear nail varnish.

In November 2021, the government introduced a policy to ensure that uniform was affordable. This included not just having one supplier. We are looking at different suppliers. I know some parents have made comments about the quality of the jumpers. Having different suppliers may mean the jumpers and cardigans may change slightly.

We do also have pre-loved uniform in school, if you need anything please contact Mrs Ward.
