Year 6 Transition Event

On Thursday Y6, took part in a transition event talking about High School. We were lucky enough to be selected as one of two primary schools live-streaming on the Y6 Transition Event. The children were able to ask current Year 7 children questions about what it is like starting in Y7 in secondary school as well as creating a video of their thoughts and feelings.

I spoke with the project manager of the event, who said that the children were an absolute credit to our school.

We are very proud of them - well done Y6.

Metropolitan Cathedral

This week, Year 3 visited the Metropolitan Cathedral as part of the Archdiocese welcoming schools back after being closed to schools during the pandemic.

The children had a lovely morning with their guide, finding out about the history of the cathedral and the significance it has in our city.

All the children were extremely well behaved throughout the morning in the cathedral and travelling to and from on public transport. We had an email from a passenger who commented on their excellent behaviour and how polite the children are. *Well done Year 3!*

Well done **Year 2** - are the highest attainers this week.

They also had an extra playtime today as they did so well with their attendance this week. The race is on now for next week!!!

Class Masses

We were extremely proud of **Year 4** and **Year 1** this week, who attended Mass with the parish this week. The children read beautifully and all the children behaved well.

The children will be joining the parish for Mass on the following dates. All Masses will start at 10am.

All are welcome.
