Year 3 Trip to Eurovision Village

Year 3 enjoyed a trip to the Eurovision village this Tuesday (9th May) It was an opportunity to see the internationally renowned English National Opera. They experienced two very different musical worlds: one epic outdoor performance. The world-renowned ENO Chorus and Orchestra, conducted by Stephen Bell and former Eurovision contestants and international opera stars performed classical arrangements of some of the Song Contest's greatest hits. A huge **THANK YOU** to all the parents who helped on the trip.

Let's Celebrate!

We have been busy in school over the last couple of weeks. The children enjoyed our **Rock Star Day**, raising money for Cash4Kids. The children looked fabulous in their outfits - definitely something we will do again! As we raised over than £150, our school was put into a draw to win a school disco and we **WON!!!!** More details to follow soon.

The school gathered together last Friday (5th May) to celebrate the King's Coronation. School was decorated with Union Jacks and we enjoyed a picnic lunch and parade of crowns.

On Monday, we are asking the children to wear an item of orange to as we have a Coeliac Disease Awareness Day, with a challenge to complete over half term.

On Tuesday, the children will be having a Eurovision day. Look on our Twitter page for photos and updates.

Have you been an Attendance HERO this week?

Congratulations to Year 6 for being our best attenders this week. **Year 6** also had best punctuality for the week.

Absence = Lost Opportunities

We have had **FABULOUS** attendance and punctuality this week and we really want this to continue in order that your children can receive the most out of what education has to offer. Please may this continue for the rest of term. Thank you all for supporting your children with their attendance and punctuality. As we have informed you on several occasions, the children begin their learning the moment they enter the classroom each morning. It really does make a huge difference and ensure they are not missing out on anything, Lessons first thing include Phonics which is vital in helping children to read.

Our school gates open at 8.40am each morning. All children should be in school before the gates close at 8.55 am.

#ShineALightOnCoeliac

1 in 100 people in the UK have coeliac disease, but only 36% are diagnosed. The children will be learning about what Coeliac is and how the condition is managed. Children will be able to sample a range of gluten free food items to see if they can tell the difference.

Using the theme of 100 - we are asking the children to do a 100 of something - whether that be swimming 100 lengths, hula hooping for 100 seconds, walk for 100 minutes, read a 100 pages. We want to know what you can do! Please send a photo of you doing your 100 challenge to your class teacher and you can win one of our lovely prizes!!!!

We are also asking the children to wear an item of Orange to school on Monday 15th May help us to shine a light on Coeliac.

I look forward to seeing your challenges - please send a photo to your class teacher on Dojo with a sentence about what you did by the 5th June to be judged in our challenge.
