Family Cooking Sessions

This term we have welcomed Martyn Jones from the Torus Foundation, to deliver parent and child cooking sessions. They have already made spaghetti bolognese, chickpea curry and chicken fajitas. Everyone seems to have enjoyed the sessions and the children have developed their cooking skills. We look forward to finding out what they make over the next three weeks.

I have made enquiries about sessions being delivered again next academic year, so fingers crossed!

Everton Gardens

Some of the children from **Years 5 & 6** have been busy at Everton Gardens over the last few weeks as they get ready to complete the John Muir Award. Over the year, the children have helped develop the garden creating environmental art, habitats, making dens and helping to clean up the pond and raised beds.

Thank you to Food for Thought for giving our children this opportunity.

Nursery Places

There are places available for children starting nursery in September. We accept 15 hour and 30 hour funding.

Why not ask about a self-funding route where your child can start the week after they are 3 years old and before government funding comes in place.

Please get your applications in to guarantee your child's place.

Cash for Kids Disco

On Thursday the children had a **FABULOUS** time with **Radio City**. **Leanne and Scott** were our extra special visitors on the day. The sun was out and the children were able to have the disco outside on the playground. They were all super excited to meet them and lots of the children collected their autographs (we think so did some of the adults!!).

The disco was due to the amazing fund raising efforts made by the children for **Cash for Kids**. We would like to say **thank you** to all our wonderful parents and carers who contributed. We really couldn't do it without you.

Please take a look at our Twitter Page **@charlesprimary** to see some wonderful pictures taken on the day.

Dot Art Competition

Congratulations to **Daisy, Harrison and Sienna** in **Year 5** who were the winners of the Dot Art Competition which is open annually to **Year 5** pupils across the City.

The children's art is on display at the **Walker Art Gallery** until **2nd July 2023**. Please take your children along to see it and support their fabulous achievement.

Year 2 Visit to The Walker Art Gallery

Last Tuesday, the children from **Year 2** visited the Walker Art Gallery in the city centre. Their visit was about looking at the clues from the past in the pictures. They started their journey by walking to St Michaels' train station, a journey they all enjoyed. Once they arrived at the gallery the children were amazed at all the pictures and statues. Miss McCreesh read the children a story about a girl who wanted to jump into pictures. The children enjoyed deciding which pictures they would like to jump into and how they would pose. A great day was had by all!

Thank you to the parent volunteers who helped on the trip.
